The chalet is located in one of the more sought after areas just a few minutes walk from the centre. It benefits panoramic views and sunshine all day having a south facing exposure. It sits on a sizeable plot 940m². The chalet is in need of some work but the potential is huge. The top floor with

vaulted ceilings could be a stunning living area with bedrooms, games rooms, spas occupying the other 2 levels. The chalet is built all in concrete which enables a far easier renovation project. The garden area to the side can be kept as an expansive garden or an additional chalet could be built on this. At present the middle is floor is habitable at present with the rest of the chalet requiring renovation for it to be habitable. The middle floor has Kitchen, living area, 4 bedrooms with a bathroom and toilet. In total the chalet is around 300sqm.
